May Festival.

Excellent judgment has been displayed by the committee who have charge of making arrangements for the Gala Week and May Festival which takes place at Paris, Ky., May 2nd to 7th, inclusive. They have secured all of the various attractions for the entertainments of their patrons that are connected with the original and only famous Robinson Amusement Co. The selection is undoubtedly a wise one, though it may have increased to a vast extent the expenditures of the organization, yet never-the-less it will insure a wonderful patronage. The famous Robinson Amusement Co. is so widely known, and so well known that committees arranging for Carnival, Festival or Gala Weeks find it greatly to their advantage to place before the public the fact of having secured so valuable an organization, that while it strengthens the people's faith in the fact of witnessing something of a wonderful and superior nature, it at the same time insures them against witnessing any entertainment in any way immoral. The Robinson Amusement Co. has achieved for itself a reputation for having the most moral, clean, neat and excellent exhibits ever collected in any one enterprise; it stands for itself. Many wonderful performances will be presented on the occasion of the Gala Week and May Festival at Paris, Ky., beginning Monday May 2.
